the spirit of '60

The "Spirit of 60" is characterized by the students cheering their team on to victory, by these same students studying for their semester exams, by their engaging in social affairs, and by their daily praying to their Creator.

The true Spirit of Nall has always been implanted deep in the hearts of all its students. All yearbooks since the first in 1935 to our present Silver Jubilee Edition of 1960 have recorded this spirit. The Marquette Staff of 1960 in carrying out this tradition hopes to preserve for you the memories of the memorable "Spirit of 60."

Staff
Senior Class of 1935

In 1935, Catholic Central High School, as it was called, published the first edition of the Marquette. This yearbook, initiated by Msgr. Conway, cost approximately \$50.00 to print and contained 61 pages. The Marquette during the past 25 years has increased both in cost and size. Today, it costs approximately \$4,500 to produce and exceeds the first issue by 100 pages. The Class of 1935 had forty-one seniors, a contrast to the present 419.

We dedicate this Silver Jubilee Edition of the

the spirit of '60

The Spirit of '60 is progress; the satisfaction of students who, having fulfilled their obligation of becoming young adults, are able to contend with the problems of the world about them.

valedictorian

The highest ranking member of the class of 1960 is Jeanine Czepiel, who has been named our Valedictorian. Besides maintaining an enviable scholastic record at Nall, Jeanine, who is a member of St. Casimir parish in Hammond, has also been an active member of her class. Her activities include membership in the National Honor Society, the Marquette Staff, and four years membership in the Debate Club. She has also been in the Bi-Phy-Chem and Latin and French Clubs.

Jeanine, daughter of Mr. and Mrs. Joseph Czepiel of Hammond, plans to attend Alverno College in Milwaukee, where she will major in English.

salutatorian

John Wrona, a member of St. Florian parish in Hegewisch, is the Salutatorian of the class of 1960. John is the highest ranking boy member in the class. Besides being "scholastically inclined," John is also athletic. He has been on our basketball and baseball teams and is also Secretary-Treasurer of the Monogram Club.

Previous to his being named Salutatorian, his scholastic ability was recognized in his junior year when John was made a member of the National Honor Society. He is also past president of the Bi-Phy-Chem.

John, son of Mr. and Mrs. William Wrona of Chicago, plans to major in engineering.

class president

Jim Notonski, called "Notzi" since his grade school days at St. Casimir in Hammond, was chosen by the seniors to represent them as their president.

One of the most active members of his class, Jim's leadership qualities were recognized long before he was elected to the class presidency. He is a three year member of the student council and has maintained membership in the National Honor Society for two years. He has the distinction of attending the Science Seminar in Hammond. Jim, a letter man, has also been a four year member of our football and wrestling teams, and a track member for three years. Although this is an incomplete list of Jim's activities, one can readily judge by them that in our president are combined talents rarely found in one person.

Jim, the son of Mr. Leo Notonski of Hammond, plans to attend Notre Dame University, where he will major in Chemical Engineering.

student council president

R.B.

The president of the Student Council for the 1959-1960 school term is Richard Barry. Rich was elected in his junior year, as was every Student Council officer, by the entire student body with the exception of last year's outgoing seniors. A conscientious worker, Rich has done well in making his school and his class proud of his efforts.

Rich is a senior well-liked by the entire student body. He has done much for his class by heading dances, assemblies, and even inter-school programs. A four year veteran of the football team, Rich is also a member of the Monogram Club. His other activities include working on the Sketch Book and senior class play, "The Matchmaker". He is also an active member of the Choral Club.

Rich, the son of Mr. and Mrs. Maurice Barry of Lansing, is a member of St. Ann's parish in that city. He plans to attend Loras College in Dubuque, Iowa.

the spirit of '60

The Spirit of '60 is an intangible something demonstrated by our faculty. It stems from the loyalty, leadership, guidance, and inspiration, which our faculty projects. It is the root of the Spirit of '60 among the entire student body.

co - principals

Father Seimetz came to Noll in 1947. His first position was a teacher of Latin and religion. After ten years of teaching, he succeeded Father Junk as

principal. His co-operation and genuine concern for the students has exerted a powerful influence in molding their characters.

Serving in the capacity of Dean of Girls and Assistant Principal since 1957, Sister Cecile Marie has won the love and respect of all the students. Her

outstanding qualities of cheerfulness, encouragement, and personal example have helped instill in the students a true Christian outlook on life.

BOWLING team

The most unpublicized sport of Noll is bowling. This ever growing sport consists of 26 teams. It is headed by Andy Wolanin, the leagues able secretary. Bernard Conoperi has held the leagues individual scoring title for the past three years. He has a very respectable average of 187. However all of the members, win or lose, enjoy their once a week venture.

the spirit of '60

The Spirit of '60 is a dance, a committee, a group of students trying to do something to provide entertainment for their fellow students.

homecoming

Traditions play an important role in our lives, especially those which are kept year after year. Homecoming is one of the many traditions. Homecoming celebration began with the election of Mr. Touchdown, the Queen, and her Court. Then came the big parade followed by a pep-rally and bon-fire. Finally the night of the game arrived and afterwards the Queen and her court reigned at the dance, "Mr. Touchdown," which brought to a close a most memorable occasion.

Our homecoming royalties were Pat Whelan and Ran Krajewski.

Dominica Balia, Kathy Korbek and Connie Gargas were chosen as the Queen's Court.

A hot time on the old field tonight.

masquerade Ball

The greatest of all gale festivities during the school year at Noll is the annual Masquerade Ball. This year it was held on October 30, 1959 in the school gymnasium. The students actively participated to help in the celebration of the age-old tradition, Halloween. Everyone had a great time. All enjoy dancing, refreshments, the grand march, and a contest for the most original costumes.

Join in the big parade.

The pride is in winning.

We're all beat, man.

spirit of religion

The church is our spiritual home.

A retreat is the greatest opportunity in spiritual development available for high school students. During these two days of conferences, confessions, spiritual reading, daily Mass and Benediction the whole outlook on our present and future life begins to harmonize with our greatest need, God.

Spiritual reading enlightens the mind.

Father Arna Hartman and Father Joseph Benedict Hagen were the directors of our retreat.

"Silver Bells" rang out the announcement of the Winter Formal on December 28, 1959. Silver brightness was displayed by the formal dress of the couples and in the wintry decorations.

talent show

Talent is one thing that Bishop Noll High School never lacks. This year the National Honor Society presented a variety show that will go down in history as one of the best ever given by the students. They displayed their abilities before their respective classes and four of the best acts from each division were chosen to appear in the final showing. Although it was a difficult choice to make, the judges selected some wonderful winners.

A humorous reading gave balance to the show.

"One! Two! Three! . . ."

Music makes the world go round.

Don't call me a dummy!

hearts holiday

The girls' hearts took a holiday as it was their turn to ask that certain boy to a dance. Appropriately starting leap year, the Service Club sponsored their second annual turnabout. Music was provided by the Moonlighters. "Hearts Holiday" was the theme and the title of this year's Valentine Dance. Decorations were of red and white crepe paper, and white carnations covered the stage. Hanging from the ceiling were mobiles of cupid and hearts.

A dance to remember forever.

"We could have danced all night. . ."

Refreshments were served by Sharan Kielman, Barbara Huseman and Sylvia Doescher.

Sweethearts an parade!

The boys beam with pride.

senior play

"Come one, come all, and see the big show," was a familiar saying at Bishop Noll High School during the month of February. The big show was the Senior Class play entitled, "The Matchmaker." It was appropriately titled because the story was centered around a woman who was constantly sticking her nose in other people's love affairs. Eventually, she works everything out for the best. The play was expertly cast by Sister Joseph Francis and Sister Miriam Edward.

sectionals

ross the state of Indiana, high-school basketball teams impatiently waited the arrival of February 24th. Why? Because backed by culty and student body, they entered into the state sectionals. The illites displayed exceptional school spirit which shone forth in victory well as in defeat. Although we cannot boast of being the Sectional amps of 1960, we can boast of our sportsmanship.

Don't run away, we won't hurt you.

"Get that ball, get that ball"

Jump, Willie jump!!!

"What's new in Russia?"

"And now a word from Coach Hudson and Coach Dermody . . ."

prom

The end of the social year at Noll is marked by the festivities of the annual Junior-Senior Prom. The Juniors carried out a specified theme with exquisite work and success. The dance, which ended at twelve, was held at the new St. Michael's Hall. Dinner was then served at Teibel's. The evening was filled with enjoyment for everyone.

All went strolling along the "Enchanted Isle."

may crowning

Mary, the Spiritual Mother of the students at Noll, was given a special tribute in May. As the students joined in procession from the school, the Rosary was recited and Hymns were sung in her praise. After the Queen crowned Mary, Father Seimetz closed the services with Benediction.

Officers of the C.S.M.C. composed the May Crowning Court.

"O Mary we crown thee. . ."

All reverently pay homage to Mary.

As the afternoon came to a close, Father Seimetz imported the final blessing.

Mary gives inspiration and help to the whole student body.

GRADUATION

Highly treasured days of our life are taken from us by Graduation. Only in memory will we be able to recall these most precious hours of hard work and participation in school activities. Graduation separates these days from our future goals in life.

With faith in God we shall have a successful future.
